

Endorsements for Dolphins & Whales Forever

"This book takes us on a journey through the experiences of many people who have been profoundly moved by their connection with dolphins and whales. The universality of the experience of cetaceans' palpable and vast spiritual awareness and wisdom, tremendous benevolence, and loving compassion toward humans and all life breathes in each story. Be inspired to dwell in the plane of divine self awareness and expanded perception engendered by this contact." ~ **Penelope Smith**, *Founding Animal Communication Specialist, author of Animal Talk, When Animals Speak, and Animals in Spirit, www.animaltalk.net*

"Swimming with cetaceans provides a portal to one of life's most magical experiences as I can personally attest. This collection of stories shared by those who have been up close and personal to these highly developed beings offer you a glimpse into their world, while sharing its impact on ours. Their stories range from shocking claims to cutting edge science that explains the miracle of the cetacean experience. Anyone who has the slightest curiosity about why cetaceans are able to so consistently enchant all who encounter them will want to read this book." ~ **Bobbie Merrill, MSW**, *Author of In The Presence of High Beings, Parachutes for Parents, and Settle for More*

"Roberta's chapter is a wonderfully informative piece, full of insights and clues that could only come from someone who is experientially tuned into the cetacean intelligence." ~ **Timothy Wyllie**, *Author of Adventures Among Spiritual Intelligences: Angels, Aliens, Dolphins & Shamans, and many other books.*

"Dolphins & Whales Forever is a delightful, exciting and expansive book that brings the cetacean consciousness into your heart and being. It is impossible to read this book without feeling the joy, wonder, love and humility of 'being connected.' and in love with the Dolphins & Whales. Each chapter sings a unique and enchanting tone, and together this book creates a harmony that holds the sound of healing, hope and inspiration. Thank you, Thank you Thank you!" ~ **Flora LaRayne** ~ *Visionary Intuitive, Sound Healer, Angel Messenger*

"Couldn't put it down! It led me to want to read it all, right now! The mother whales's experience of healing was very touching. Reading this was truly a blessing!" ~ **Deb Gibson**, *Harrisburg, Pennsylvania*

"I instantly connected with and felt total feelings of joy and love, and could feel the energy of the thread of Divine love and how it is so exquisitely communicated in these words. As I kept reading, I felt more connected to the Divine in myself. I was reminded of the significance and joy that opening our hearts plays in our lives, and how animals play such a big part in this process." ~ **Diane Cusano**, *San Jose, California*

"... This will be a great gift to readers. Had me in tears by page 2. Downright lyrical and poetic at times, in a natural and lovely way." ~ **Judith White**, *Adjunct Professor of Complementary and Integrative Therapies at Drexel University in Philadelphia*
