Local Author Begins Coast to Coast Tour in Radford as the #1 Bestselling Book, Dolphins & Whales Forever, Goes “On the Road”

RADFORD, VA, JUNE 16, 2014 – The #1 bestselling book, *Dolphins & Whales Forever*, goes *On the Road* this summer with several of the authors meeting up for book signings, beach gatherings, group meditations, dolphin and whale watching trips, workshops, and other fun events along the way.

Debbie Takara Shelor, engineer and bestselling author of *Peering Through the Veil: The Step by Step Guide to Meditation and Inner Peace*, led the collaborative endeavor. Ms. Shelor explains that, “I had been feeling a nudge from within for quite some time that I was to put together a collaboration like this. When the opportunity to do so presented itself, I invited this extraordinary group of people to join me in what turned out to be quite a wonderful adventure.”

Takara asked each of these cetacean ambassadors, visionaries, communicators, and facilitators of transformation to share their personal stories of dolphin and whale encounters that changed their lives forever. The unique connection they each share with cetaceans has become their personal doorway to transformation, higher wisdom, and the ability to facilitate physical and emotional healing within themselves and others.

The book was officially launched on March 20th, 2014 and quickly reached #1 bestseller status in its category on Amazon.

On the Road with Dolphins & Whales Forever begins with a 3-hour workshop in Radford, VA on June 22nd at 2:00 p.m. at Sandi’s Enchanted Garden, 1400 East Main St. Then the tour heads to Panama City, FL, Albuquerque, NM, San Diego and San Jose, CA, Charlotte and Chapel Hill, NC, and Toronto, Canada.

Details about the book, the workshop in Radford, and the tour can be found at <http://www.DolphinOhana.com>.
