"A BIG THANK YOU to Takara and the team at Deep Dive Publishers. I had struggled for years trying to figure out how to write my book. I knew I wanted to share my story, and I knew I wanted to write it in a way that would help others. That's when I met Takara and she helped me to do just that! She held my hand every step of the way and asked me the tough questions that I needed to answer to write the best book possible. The Deep Dive Publishing Guides were invaluable and ensured I followed the steps and processes needed to write, edit and publish my own best-selling book." - Cindy J Holbrook, Bestselling Author of *Dark Family Secrets*, *The Visibility Wiz*
